## Recycle Base Oil - SN-150

### PRODUCT DESCRIPTION

SN-150 is defined as a light grade base oil at the lower end of the specifications for Grade I light base oils. They are mainly used in lubricant and lubricant additives production. It is a Group I base oil (mineral based non-synthetic base oil) which is derived from rerefining used or lubricants contaminated with particulate matter and other soluble materials.

### APPLICATIONS:

- General purpose oils
- Mould oil
- Transmission fluids
- Gear oils
- Metal working fluids
- Additives

**Packing:** Drum, Flexi & Bulk
